

Shine – Take That

**You, you're such a big star to me
You're everything I wanna be
But you're stuck in a hole and I want you to get out I don't know what
there is to see
But I know it's time for you to leave
We're all just pushing along
Trying to figure it out, out, out**

**All your anticipation pulls you down
When you can have it all, you can have it all**

**So come on, so come on, get it on
I don't know what you're waiting for Your time is coming don't be late,
hey hey So come on
See the light on your face
Let it shine
Just let it shine
Let it shine**

**Stop
Being so hard on yourself
It's not good for your health
I know that you can change
So clear your head and come 'round
You only have to open your eyes
You might just get a big surprise
And it may feel good and you might want to smile, smile, smile**

**Oh don't you let your demons pull you down 'Cause you can have it all,
you can have it all**

**So come on, oh come on, get it on
I don't know what you're waiting for Your time is coming don't be late,
hey hey So come on
See the light on your face
Let it shine
Just let it shine
Let it shine**

**Hey, let me know ya
You're all that matters to me Hey, let me show ya
You're all that matters to me**

Shine – Take That

**So come on, oh come on, get it on
I don't know what you're waiting for Your time is coming don't be late,
hey hey So come on
See the light on your face
Let it shine
Just let it shine**

**Hey, let me know ya
You're all that matters to me Hey, let me show ya
You're all that matters to me**

**Hey, let me know ya
You're all that matters to me
So come on see the light on your face**

Let it shine just let its shine, shine.
